O R D E R :

Government in the reference 1<sup>st</sup> read above, granted 1<sup>st</sup> RML for Steatite over an extent of 4.858 Hects in S.No.827 of Pedaballi (V), N.P.Kunta (M), Anantapur District held by Sri.V. Guruvaiah and the Assistant Director of Mines & Geology, Anantapur has executed the lease on 22.04.2006.

2. The Director of Mines & Geology, Govt. of A.P., Hyderabad in the reference 2<sup>nd</sup> read above has reported that the lessee did not fulfill the following conditions and submitted proposals for lapsing of the above said mine held by Sri.V. Guruvaiah under rule 28(1) of Mineral Concession Rules, 1960 for consideration of the Government. :

- (i) The lessee has not intimated the opening notice.
- (ii) The lease is non working since 1.4.2007.

3. Government after considering the report of the Director of Mines & Geology, Government of A.P. Hyderabad, it was proposed to lapse the above mining lease held by Sri.V. Guruvaiah and accordingly, a show cause notice was issued in the reference 3<sup>rd</sup> read above under rule 28 (1) of Mineral Concession Rules, 1960 as to why the Mining Lease held by him shall not be declared as lapsed, and submit his explanation/ representation within 15 days failing which it will be construed that he has no explanation/ representation on the action proposed and further action will be taken on the material available with the Government.

4. It should be noted in this regard that mineral wealth is the wealth of the nation and should be put to use for public good. Government gave mining lease so that the lessee company could do mining scientifically within the prescribed time limits and use the mined mineral. Such a mine would generate revenue for the State by way of taxes, employment for the local people and give boost to the overall economy of the region besides industrializing the area. None of these objectives could be achieved due to the abject failure of the lessee company.
